About the WAGS Fall Fundraiser

The WAGS Fall Fundraiser is our signature annual event, bringing together volunteers, supporters, business leaders, and community partners for an evening celebrating the people, dogs, and partnerships that make our mission possible.

Why Sponsor?

Your sponsorship directly supports the training of future WAGS service and clinical therapy dogs while demonstrating your organization's commitment to strengthening our community.

As a sponsor, you'll:

- Increase your visibility among community and business leaders
- Demonstrate your commitment to community impact
- Support individuals with disabilities and local organizations
- Help create the next life-changing WAGS partnership

About WAGS

For nearly 40 years, Wisconsin Academy for Graduate Service Dogs (WAGS) has raised and trained highly skilled service dogs that support individuals with disabilities and clinical therapy dogs that serve local communities and organizations. Every WAGS partnership is made possible through the generosity of volunteers, donors, sponsors, and community supporters who believe in changing lives.
